

## resources links

There are many more medical sites on the Internet but we think these are the best.

### **National Library of Medicine**

[www.nlm.nih.gov/](http://www.nlm.nih.gov/) The most comprehensive source of medical literature on-line.

### **The Merck Manual**

[www.merck.com](http://www.merck.com) A popular medical reference book.

### **Health Finder**

[www.healthfinder.gov/](http://www.healthfinder.gov/) is a Federal Web site for consumers, developed by the U.S. Department of Health and Human Services together with other Federal Agencies. Since 1997, healthfinder.gov has been recognized as a key resource for finding the best government and non-profit health and human services information on the internet.

### **Clinical Trials**

<http://clinicaltrials.gov/> Up-to-date resource on clinical trials information being conducted around the country.

### **Food and Drug Administration**

[www.fda.gov/](http://www.fda.gov/) Government site for drugs and medical information.

### **The Mayo Clinic**

[www.mayoclinic.com/](http://www.mayoclinic.com/) This world-renowned facility is a great place for information on all kinds of health issues and illnesses. Appointments can be made to be seen no matter where you live.

### **Cleveland Clinic**

[www.clevelandclinicmeded.com/diseasemanagement/](http://www.clevelandclinicmeded.com/diseasemanagement/) One of the best medical and research facilities in the Nation. Specialists from all disciplines can be sought for advice and treatment.

### **Medical Journals from the American Medical Association**

<http://pubs.ama-assn.org/> Great links to medical journals in a variety of disciplines.

### **Centers for Disease Control**

[www.cdc.gov/](http://www.cdc.gov/) A premier U.S. health agency for investigation of epidemic. If you have traveled, gotten sick, or have a mysterious condition, you should contact the CDC to ensure you are not spreading a pathogen to the public.

### **Web MD**

[www.webmd.com/](http://www.webmd.com/) Great site for the layperson to seek numerous sources for medical information and support.

#### **Section 9**

Note: This is not a medical or legal document. Contact a medical or legal professional for assistance with your health concerns.
